

HORACE G. DAVIS, JR. CONCEPTUAL TOOL BOX

Friendly conversations for civic uplift... Become the hero of your own story...

Courageous empathy... Explore... Discover... Celebrate... Repeat...

We are all essential to community wellbeing... Pass it on... Smile...

Serious intentions accomplish the real work... Be an outreach coordinator...

Three parts of time: Past: memories & evidence... Future: not what it used to be... Now: a gift. That's why it's called "the present"...

Community: where we shape the minds that shape the future... What's next?

Harmony, economy, synergy, honesty, clarity, democracy, curiosity, liberty...

Share recipes of civic success... Be good contagious... Keep the gifts moving...

When we change the way we look at things, the things can change...

A Chautauqua is where we talk about things worth talking about... Deep listen...

Build back better everywhere... Renew our oath to defend the Constitution...

**"Work hard for things you care about... Do it in a way that leads others to join in."
Ruth Bader Ginsburg**

"It gets better for everyone when it gets better for everyone." Eleanor Roosevelt

"Alachua County can grow a greater variety of food for a longer season than any county in America." Ed Turlington
